SPECIALITY

A extremely thick cut(3 inches) Sirloin or rump of Yorkshire beef. Seasoned with cracked black pepper, blackened on the hottest part of the b-b-q... rested then finely sliced across its grain by chef.Served onto a split baguette freshly baked on site(or onto the guests plate) directly to your guests and to their preference. Seasoned with a liberal dijon mustard dressing ,filled with fresh mixed salad leaves loaded with several slices of the fine steak, seasoned with fresh ground black pepper and then rock salt directly from the mills. Finally finished with a squeeze of fresh lemon juice along its length.This dish really does have the 'wow!! factor'

Out of the surf
